

THE
NORTHERN NEGROS STATE COLLEGE
OF
SCIENCE AND TECHNOLOGY

in Sagay City

is the first and only State College
in Northern Negros. It was established by virtue of
RA No. 8448,
dated January 9, 1998, authored by
Hon. Alfredo G. Marañon Jr.,
Congressman 2nd District of Negros Occidental.

THE VISION

Northern Negros State College of Science and Technology envisions a skilled and productive manpower, qualified and competent professionals endowed with leadership qualities and committed to public service; possess a common shared values, and capabilities to integrate and use new knowledge and skills in various vocations and professions to meet the challenges and opportunities of this millennium.

THE MISSION

To train and develop semi-skilled manpower, middle-level professionals and competent and qualified leaders in the various professions, responsive to the needs and requirements of the service areas, by providing appropriate and relevant curricular programs and opportunities, research and entrepreneurship, extension and progressive leadership, to effect socio-economic benefits and thereby improve quality life.

THE MANDATE

The State College shall provide higher technological, professional, vocational instruction and training in science, forestry, fishery, agriculture, education, marine biology, engineering and industrial fields; it shall promote research, advance studies, extension work and progressive leadership.

It shall likewise offer short-term technical or vocational courses, provide non-formal education and undertake vigorous extension and research programs in food production, nutrition, and health and sports development.
