

QUALITY POLICY

Northern Negros State College of Science and Technology will provide its clients with quality and excellent education that is world class and globally competitive and shall meet and/or exceed their expectations. It will strive to continually improve its quality management system (QMS) by reducing customer complaints, and improving on-time delivery of service and customer satisfaction.

MANDATE

The State College shall provide higher technological, professional, vocational instruction and training in science, forestry, fishery, agriculture, education, marine biology, engineering and industrial fields; it shall promote research, advance studies, extension work and progressive leadership.

It shall likewise offer short-term technical or vocational courses, provide non-formal education and undertake vigorous extension and research programs in food production, nutrition, and health and sports development.

VISION

Northern Negros State College of Science and Technology envisions a skilful and productive manpower, qualified & competent professionals endowed with leadership qualities, commitment to public service, a common shared values, and capacities to integrate and use new knowledge and skills in various vocations and professions to meet the challenges of the new millennium

MISSION

To train and develop semi-skilled manpower, middle level professionals and competent and qualified leaders in the various professions responsive to the needs and requirements of the service areas providing appropriate and relevant curricular programs and offerings, research projects and entrepreneurial activities, extension services and develop progressive leadership to effect socio-economic change and thereby improve the quality of life in the service areas.
